GOAL SUMMARY

The goal of this session is for young people to see the Church as the authority on Christ and how it is through the Church that we can come to know Christ. God gave us a Pope in order for us to follow him more fully.

VIDEO SUMMARY

This video shows Christ Stefanick discussing Peter as the rock of the Church.

DISCUSSION QUESTIONS

1. How is the authority of Christ passed down to our current Pope? How is St. Peter so important to this line of succession?
2. In what ways does God work through frail man as our leaders of the Church? How does that impact authority?
3. What kind of messy people did the Lord use for his work?
4. How does God give us himself through authority?
5. How does God work in in the messiness of your life?

SEND

The Lord has given us shepherds to guide the Church in her mission to bring Christ's teaching to the whole world. And He sends the Holy Spirit to continue to safeguard the Church until the end of time.

Pray together:

Lord, you gave St. Peter the keys to your kingdom, giving him the authority to teach in your name. Protect Pope Francis today and help us to hear the things he is teaching us in your name, so that we can walk with surety. Amen.
